

OPEN CALL

The Pilots for Healthy and Active Ageing (Pharaon) is a Horizon 2020 project to improve the dignity, independence, and wellbeing of older adults by providing enhanced smart and active living solutions. It is focused on existing and mature technologies that can be modified, integrated, and demonstrated during the piloting phase. There are 6 pilots spread across 5 countries and each pilot has different use cases and needs.

This open call is an opportunity for solution providers to contribute their technologies to the project, demonstrating that their solutions are compatible with the Pharaon open platform and supporting the ongoing development and refinement of the overall Pharaon ecosystem.

Applicants:

- SMEs, and Micro SMEs
- Web entrepreneurs and individual sole-traders
- Industrial organisations

Call duration: 01.10.2021 - 31.12.2021, 17:00 CET

Project duration: 6 months

Budget: 20 grants of up to EUR 50,000 each
